it's undemocratic to think the law does not apply since you didn't vote for it

these cycles are also cheaper to start and you can run them for shorter durations.

these companies do not need to be compliant with an association which has no legal jurisdictions or statutes to uphold, but can make an uneducated case for itself in the court of public opinion.

it is time to show leadership and make a stand, and medical journals have a critical role to play in this

motorola to complete separation on january 4, 2011 - press
