he then tried to get a second copy of our receipt, which they don’t do, so i’m assuming he is going to try to return the batteries for a store credit or something

i emailed them, and they responded immediately and sent a new product

to realize, we don’t know how exactly it is going to unfold, but we need to control our own destiny,”

this herb is best combined with valerian because they are both muscle relaxants

words containing the essential message of the slide (clearly, in a book, this will necessarily be the
